

Clarification: Xayaburi dam

Sep 28th 2013 |From the print edition Asia
<<http://www.economist.com/printedition/2013-09-28>>

In our recent story on the construction in Laos of the Xayaburi dam ("Fish-friendly? <<http://www.economist.com/news/asia/21585000-dam-takes-shape-fierce-opposition-continues-fish-friendly>>", September 7th), we meant it to be clear that the claim by the Xayaburi Power Corporation Limited of German and European Union support for the project was false.
